About Eduxo.eu

Eduxo.eu is a Belgian non-profit organisation working to advance **democracy, gender equality, and youth participation** across Europe. Through advocacy, education, and community-building, we empower citizens to shape more inclusive and representative societies.

Role Overview

We are looking for a **Web Designer / Web Developer** to strengthen our digital presence and support the growth of our platform. This role is key to ensuring that our website is **visually engaging, user-friendly, and aligned with our strategic goals**.

You will work closely with the **Communications team**, contributing to both the **technical development** and the **creative direction** of our website.

Key Responsibilities

- Design and improve pages on the Eduxo website (UX/UI)
- Maintain and update website content and structure
- Support the development of new sections (e.g. programmes, campaigns, applications)
- Ensure website responsiveness across devices
- Optimise website performance and loading speed
- Implement basic SEO practices
- Collaborate with the communications team on visual consistency and branding
- Support integrations (e.g. forms, newsletters, event registrations)

Profile we're looking for

- Experience in web design and/or web development (WordPress or similar CMS preferred)
- Basic knowledge of HTML, CSS (JavaScript is a plus)
- Strong sense of design, usability, and user experience
- Ability to work independently and meet deadlines
- Interest in democracy, equality, and youth empowerment
- Previous experience in NGOs or student organisations is a plus

What you'll gain

- Direct impact on a growing European organisation
- A strong portfolio of meaningful, purpose-driven work
- Direct engagement with EU institutions and networks
- A volunteering / pro-bono international contract
- Fully remote collaboration, with in-person opportunities in Brussels
- Possibility to receive the EDUXO Badge as an Interest Group Representative to EU institutions
- Flexible time and autonomy
- Free Career Desk support with an HR expert
- Free psychological support
- Access to international high-level and networking events
- Monthly internal trainings and opportunities
- A supportive, feminist, inclusive community
- Insurance coverage during in-person volunteering activities
- As a member, you can apply for governance roles and actively participate in decision-making processes

How to Apply

Send your CV and (if available) a portfolio or examples of previous work to Jasmine D'Ambrosio (Talent Acquisition Specialist) at talent@eduxo.eu

Subject line: **Web Designer / Developer Application – [Your Name]**

Application Process

There is **no fixed deadline** for this position. Applications are reviewed on a **rolling basis**, and the vacancy will remain open until the position is filled. Early applications are encouraged. The process includes 1 interview of 30-45 minutes.

At Eduxo, we are committed to diversity and inclusion. We strongly encourage applications from individuals of all backgrounds, especially those underrepresented in tech and civil society.
